WHEN WE ALL GET TO...

Yes, what a glorious day it will be when we all get to Heaven! Meanwhile, it has been wonderful to see so many of our supporting church pastors at District Council. Thanks for taking time to stop and say hello to us. We have also enjoyed being in each church where we have visited to date and are looking forward to being with many more of you during this year.

If we do not have you on our schedule for this year, we still have plenty of Sunday evenings and weekdays that we can plan to be with you. No meeting or home group is too small to share our heart for missions. Give us a call today to schedule a service, luncheon or just coffee time together. You can reach us at 989-796-4478.

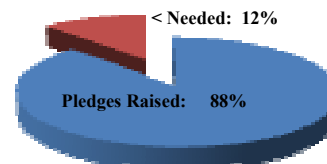

RENEWAL

We will be heading to Springfield, Missouri during the last two weeks of June for Missionary Renewal. During this time we will have all of our medical clearance tests done as well as attend several seminars and classes with the Europe team. Please pray with us for safe travel and good reports on all of our medical exams. It is always an honor to represent Michigan missions and learn how we can serve more effectively in the country of Poland.

SUPPORT AND PROJECTS

We are so thankful for the faithful support of our partners over the last two terms in Poland.

The table below shows we have raised about 88% of our monthly pledges. Any small increase in current pledges or new monthly commitments will help us reach our goal quickly.

As God enables you through faith, we pray that God will multiply back what you entrust to Him through missions. In our own lives, we have found we can never out-give the Lord.

HOME FRONT

It is a joy to be able to spend some quality time with our sons, Andy and Josh. Over campfires or a game of softball, we are enjoying re-connecting with them as adults. We are proud of their accomplishments and their desire to serve God with all their hearts.
