## THANK YOU !

There are not enough words to express our thankfulness to our supporters who have faithfully given to our ministry in Poland for the last ten years. As we continue our ministry we humbly ask you to continue to support us as we prepare to return to Poland for our third 4-year term of service. Currently, we are half-way through our furlough. We still need to raise about \$700.00 per month in support. At this time, we are at 91% of our budget. Un-

til we reach a full 100% we are not allowed to return to Poland. If you are able to help us by a first-time pledge or an increase in your monthly support, we could be one step closer to setting our date to return.

It is our prayer that God would bless you financially, physically and spiritually; increasing your ministry as you fulfill the great commission both here in the U.S. and through your giving to world missions. We must work while it is day and the doors are open to minister the gospel of Jesus Christ.

Again, we say "Thank You" for your partnership in missions. You are our Heroes of the Faith!

## CELEBRATION LANE

In the last few summer months, we have experienced some "firsts" in the McLane household. On July 2, 2011, Lori ran in Coach Kelly's 5K Race in St. Louis, Michigan and took the silver medal for her age group. She has enjoyed the benefits of not only getting into shape for the race but also the prayer time to pray for Poland, family, and our many friends and supporters.

On July 29, 2011, Richard celebrated his 50th birthday. He loves being in the prime of his life and looks forward to what God has in store for the next 50 years.

Our oldest son, Andy, also received his diploma from Central Michigan University as a Bachelor of Science in Information Technology. He is currently seeking full-time employment. He has already finished the first three courses through Global University and is studying his fourth course toward his ministerial credentials. We are very proud of Andy and his accomplishments.
